Join us in celebrating the AIA Grand Rapids Architects and their contributions to our communities. With this as our cornerstone, we are creating the foundation for building recognition of the profession and our clients through stronger promotion of Architecture to the public. It will be an event not to miss for all who are a part of the West Michigan architecture and the construction community.

This year's event will be held on Thursday, October 17 at the Golden Age at Creston Brewery, 1504 Plainfield Ave NE, Grand Rapids, MI 49505. Through its annual Honor Awards program, the AIA Grand Rapids Chapter recognizes excellence in architecture throughout the region. The program promotes the value of good design and encourages members to pursue excellence through their work and service to the public.

The mission of AIA Grand Rapids is to support and advance the profession of architecture in our community. In support of this mission, the program celebrates our chapter architects and their work, promotes the profession, honors clients, and acknowledges contributions to the construction industry.

Your AIA Grand Rapids Honor Awards Sponsorship will help fund this annual event. Secure your sponsorship by September 17, 2019. See the next page for sponsorship opportunities and more information.
